APPLICATION CERTIFICATION AND ACKNOWLEDGMENTS
--

Certification of Information – I am applying for employment with People 2.0 and, by signing below, declare that the information I have provided in the application process is complete and true to the best of my knowledge. I understand and agree that any false information, omission or misrepresentation discovered before or after a job offer can result in rejection of my application or dismissal at any time during my employment.

Application and Equal Opportunity –People 2.0 and FSP are Equal Employment Opportunity companies. All qualified applicants will receive consideration without regard to gender, marital status, race, color, age, creed, religion, national origin, veteran status or disability. I understand that this form is for use in evaluating my qualifications for employment; it is not an offer or a promise of employment. A background investigation, interview, various tests and a policy review may be required before any final determination of my suitability for employment is made.

Release of Information – I hereby authorize all former employers, companies, local, state, federal and other agencies, courts and law enforcement authorities to release any information concerning my background. I also authorize People 2.0 and FSP to disclose information on my background and work history (and to provide copies of this Application and any background or reference reports) to representatives of client companies where I may be considered for assignment. I hereby release People 2.0., FSP, and their agents, and any persons, employers, companies, agencies and authorities who verify or provide information on my background from any liability for any damage whatsoever for disclosing or issuing any such information.

Background Check

People 2.0, through Frankel Staffing Partners, People 2.0’s local authorized agent, may obtain information about you from a consumer reporting agency for employment purposes. Thus, you may be the subject of a “consumer report” and/or an “investigative consumer report” which may include information about your character, general reputation, personal characteristics, and/or mode of living, and which can involve personal interviews with sources such as your neighbors, friends or associates.

These reports may contain information regarding your criminal history, credit history, motor vehicle records (“driving records”), and verification of your education or employment history or other background checks. You have the right, upon written request made within a reasonable time after receipt of this notice, to request disclosure of the nature and scope of any investigative consumer report.

Please be advised that the nature and scope of the most common form of investigative consumer report obtained with regard to applicants for employment is an investigation into your education and/or employment history conducted by People 2.0 or a Third Party doing the investigative consumer report. You should carefully consider whether to exercise your right to request disclosure of the nature and scope of any investigative consumer report.

Drug Use and Testing – I understand that People 2.0 prohibits the use of illegal drugs. I am willing to provide a urine, blood, hair or saliva specimen for drug and/or alcohol testing prior to and/or during my employment as a condition of assignment to certain job positions, or if there is any reason whatsoever to suspect drug or alcohol use. I understand that company policy requires a drug and alcohol test whenever there is an on-the-job accident or injury. I hereby authorize and give full permission and consent to all such tests and acknowledge my understanding that a positive drug test or refusal to submit to a required drug test means I will not be hired and is grounds for dismissal. I hereby release People 2.0, FSP, their clients and any clinic, individual or test product manufacturer that may administer or provide a drug or alcohol test from any and all claims arising out of the results of such a test, and from any action taken on the basis of those results.

I am voluntarily signing below to acknowledge that I have read and fully understand the Application Certification and Acknowledgments above. I have had the opportunity to ask questions before signing and all explanations have been in language I understand.
